

Setting Up Preauthorized Online Account for Ordering Medications - Client Instruction Guide

Ordering medications, food, and pet supplies online is as easy as a few clicks on your computer. If we set up your account to pre-authorize prescriptions, you'll receive an email from VetsFirstChoice to finish the setup on your account.

1. In the email click on the link that is listed under "If we created your account"

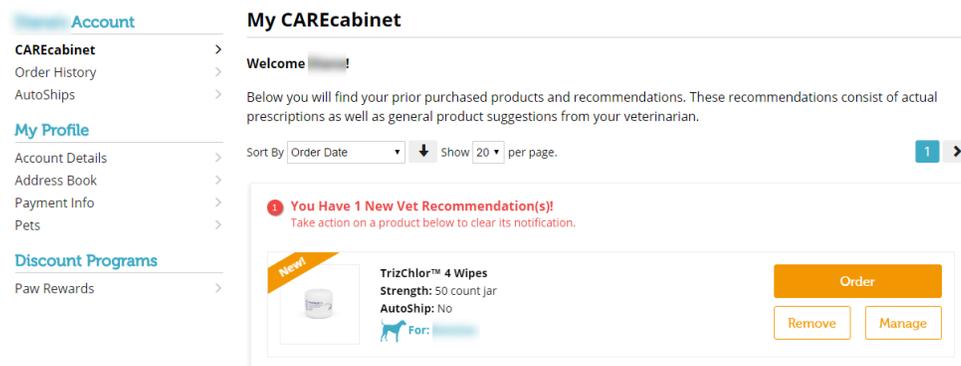

2. You will be taken to the online store and will need to enter you email address to generate a new email that will allow you to reset a password.
3. Click the link in the new email to be able to reset your password.

Now, let's get you a fancy new password.

There was recently a request to change or set the password for your account at bahva.vetsfirstchoice.com. If you requested this change, click below to reset or set your password:

<https://bahva.vetsfirstchoice.com/customer/account/resetpassword/?id=4419227&token=9e5ee0cae92641946a6bc857824a1e5b>

4. You will be taken to the page to reset your password.
5. Once you've reset the password, you'll be taken to your account and should see any preapproved prescriptions there.
